Our jewellery department has some very distinctive cuff links that are sure to please the particular man

—we are told, is Man. He finds an unreasonable delight in refusing to use new articles, and clings to the worn battered things that he has cherished for years.

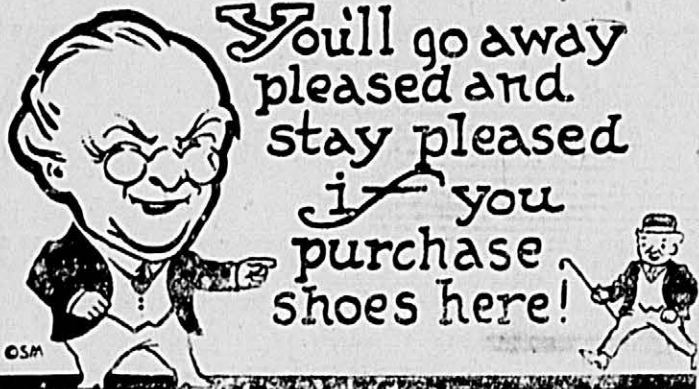

Consequently, gift buying for men is a serious proposition. Some men's toilet sets at Birks are so practical, and so good to look at, that they will overcome the prejudices of even the most hardened offender.

## INTERMEDIATE GAME WILL BE TOUGH BATTLE

McGill and Queens Seconds Ready For Hard Game.

BOTH SQUADS STRONG.

Tri-Color Prepared To Duplicate Its Win Over R. M. C.

For the first time this season the McGill Intermediate Rugby squad will figure in a league game, when it stacks up against the Queen's seconds on the Stadium this morning at 10.30 o'clock, and from the way the players have been tearing it off during the past few weeks in preparation for the struggle, the Tri-color will have the battle of its life to keep the Red and White squad out of the Presbyterian territory. For the past two months the McGill seconds have been training diligently along with the other two teams, and this is its first chance to get into a real fixture, so that now the players have started they are determined to go right through and win both this morning and in the return game at Kingston next week, that they might have the right to play off against Western

University, of London, for the Intermediate Intercollegiate championship.

While not expressing any confident opinions regarding the outcome of the tussle, officials of the Queen's seconds are satisfied that their Intermediates will put up a tough fight for the game. In the recent matches against R.M.C., in which the Tri-color won the right to play against McGill, the Presbyterians came through with the best exhibition of Rugby played by one of their second teams in many seasons, and held the husky soldier squad to within five points in the first game, winning the second game by six points, and thus qualifying for the McGill games by the narrow margin of one point. With this record back of them, the Tri-colored players can be counted on to provide a snappy brand of ball this morning.

Captain Marsh Kern, of the Red and White squad, will have a strong line-up against the Presbyterians. Brown, at flying wing, is a heavy tackler and one of the best ball-carriers on the squad. On the half line, McGill will be particularly strong with Laffoley at centre and Lane and Salter supporting him. Jones and L. Kern at outside are both fast men and deadly tacklers, and can be counted on to get down under the ball with good results, while Marsh Kern, at quarter, besides being a strong player himself, handles his squad in perfect style.

When the two teams line up opposite

## FIRST DANCE IN THE UNION LAST NIGHT

Union Cafeteria Furnished Fine Refreshments.

MANY PRESENT.

Interesting Programme Of Dances Has Been Arranged For.

The first informal dance of the season was held in the Union last night, and was pronounced a splendid success by all those present. Owing to the untiring efforts of the Committee on Social Functions, all arrangements for an enjoyable evening were perfected, and if the dances of the future prove to be as happy meetings as this first one, there are some wonderful times in store for the devotees of dancing.

The Harmony Orchestra upheld their high reputation as a first-class orchestra, and dispensed a brand of jazz that put life into the heels of the most timid.

The room was tastefully decorated and well lighted, and to say that the fair ladies present enhanced the general effect of beauty is to merely state a truth in a very prosaic manner.

The floor was in perfect condition, and the large number present appreciated this important factor of the dance.

The catering was all that could be expected, and the Union Cafeteria is to be congratulated on the able manner in which they tended to the needs of the dancers.

Social life forms a very important factor of the undergraduate world, and the efforts of the social committee to gratify this phase of college life deserve the hearty co-operation in all future dances that has been given to this first one.

Those in attendance were: Misses Smith, Kerr, Heaton, Thompson, Patton, Murdoch, Kenrick, Thornton, Colure, Cameron, Eaton, Wilson, Harrison, Saffon, Wilson, Black, MacInnes, Elin, Pringle, Stewart, Bagley, McMillan, Lockhart, Berry, Thompson, Duffy, Folley, Leggatt, West, Buckel, Chisholm, Phelan, Thompson Powers, Barwick, Gay, Elliot, Harriott, McGoun, McPhail, Canning, Hutchison, Webster, Best, Donald, Kent, MacDonald, Gorch, Russell, Tie, Pennington, Lamb, Harvey, Vreland, Stockwell, Stewart, Taylor, Pickard, Larkin, Schwartz, Elliot, Thorpe.

## MCGILL MAKES FINE SHOWING WINNING MEET

Johnson Wins Three Events — Individual Champion.

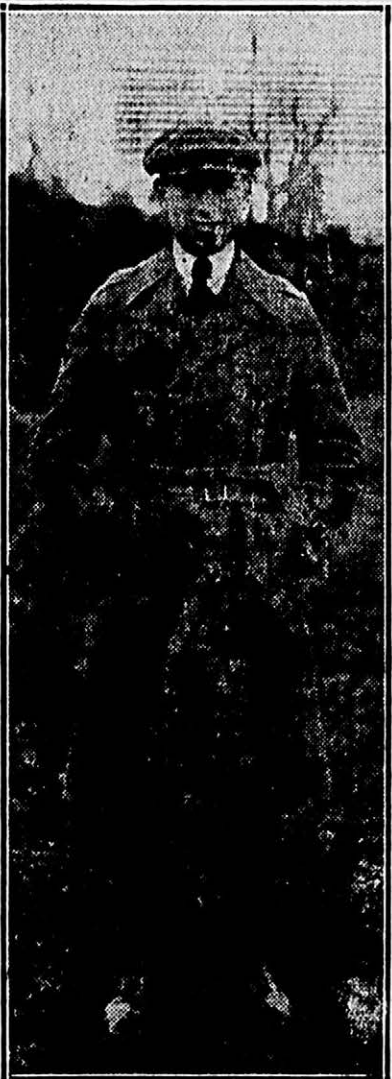

MCGILL 62, TORONTO 55.

Farthing Makes New Record In Hurdles, Time 16 2-5 Seconds.

Although the day was cold and the track was only in fair condition, good times were made and two records broken at the Intercollegiate Track Meet yesterday in Toronto. The two records broken were the discus throwing by Meredith, of U. of M., and the hurdles by Jack Farthing, of McGill. The latter deserves special mention. Carruthers, of Toronto, and Farthing won their respective heats, and in the final ran neck and neck till the seventh hurdle, when Farthing forged ahead and won by five feet. The former record for the event was held by Ken Dowie, who was also a McGill man, and who is now in China. His record stood for ten years, therefore, all credit is due to Jack Farthing, who clipped three-fifths of a second from a ten year record.

Dave Johnson, of McGill, also de-

serves much credit for his wonderful running. He won the 100 yard dash, the 200, and the 440, and was individual champion of the meet. His time for the 100 yards equals the College record of ten and one-fifth seconds. If the track had been in good condition, he certainly would have equalled the Intercollegiate record, if not bettered it.

To show their appreciation of their coach, the McGill men after the meet bounced Van Wagner, to whom much credit is due for the way the team showed up.

The new entry, the University of Manitoba, made a very good showing, securing one first also several seconds and thirds. Meredith was their best man, increasing the discus throwing record by five feet. He threw the wood 119 ft. 6 1/2 in.

As Queen's, R.M.C. and Manitoba did not have eight entries, their totals were not made up.

The following is a list of the events. T stands for Toronto; Q for Queens; Man. for Manitoba; and M for McGill: One Hundred Yards—1, Johnson (M.); 2, Carson (T.); 3, Van Vleet (M.); 4, Kennedy (M.) Time, 10 1-5. Two-Hundred Yards—1, Johnson (M.); 2, Hay (M.); 3, Rutherford (Man.); 4, Snaith (Q.) Time, 22 4-5. Four-Forty—1, Johnson (M.); 2, Hay (M.); 3, Sutherland (R.M.C.); 4, Uren (T.) Time, 51 2-5.

Half Mile—1, Roll (T.); 2, Hamilton (M.); 3, McLeod (Man.); 4, Davidson (T.) Time, 2 min. 4 4-5 sec.

One Mile—1, Sutherland (R.M.C.); 2, Jamieson (T.); 3, Croll (T.); 4, Hamilton (M.) Time, 4 min. 45 sec. (Continued on Page 2.)

## "Y.W." WILL BE REPLACED BY NEW SOCIETY

Meeting At R.V.C. Voted To Make Change.

## RELIGIOUS—SOCIAL.

## Christian Student Association Will Carry On Y.W. C.A. Work.

The Y.W.C.A. of the Royal Victoria College has now ceased to exist. Up to this time this association has carried on the religious and many of the social activities of the college, and though we feel that it has not always had as hearty support from the girls as could have been hoped for, yet there have always been a number who have faithfully worked for this society, but with the removal of the student secretary from the Dominion executive of the Y.W.C.A., the college branch found itself unsupported.

Judging from the general attitude towards this association, it was doubted whether the college members wanted to join the new Christian Student Movement. A meeting of the whole undergraduate body was called, and the question was asked whether or not we would support a religious movement of this kind. The opinion of the meeting was decidedly in favor of the support of such a movement, and yesterday a meeting was called for all interested to come together and discuss the inauguration of the Christian Student Movement in the R. V. C.

Accordingly, thirty-five girls assembled in the Common Room at 11 p.m.—a goodly number, it is true, but we might have hoped for more support, especially from the first year, who were, unfortunately, conspicuous by their absence. However, all those present certainly showed a keen interest, almost every one taking active part in the solving of the difficulties discussed. For we are in an awkward position since the Christian Student Movement as a national movement is not to be formally instituted until the meeting of a central conference in December. The R.V.C. girls, however, feel the need of some movement or association to carry on the work of the former Y.W.C.A. It was therefore moved, seconded and carried that we have a religious association in the college, to be called the "Christian Student Association"; that this association be linked with the National Student Movement at such time as it shall formally come into being; and that the activities of this association be directed in future to Bible Study and Social Service Work, the Undergraduate Society taking over the social activities formerly managed by the social convener and committee of the Y.W.C.A.

The membership and necessary officers were next discussed, whereon it was moved, seconded and carried that, since a main feature of the movement is "fellowship," the membership be extended to any student of the R.V.C. willing to enroll herself as a member of this movement; and that the officers consist of a president, vice-president, secretary-treasurer, Bible Study convener, and Social Service convener. The following girls were elected to the several offices: President—Miss Edith Barnes. Vice-president—Miss Mary Fry. Sec-treasurer—Miss Lorna Kerr. Bible Study Convener—Miss Kathleen Newham. Social Service Convener—Miss Aileen Hackett.

The president also urged all girls interested in this new association to turn out for the meeting to be held in Strathcona Hall, when the Christian Student Movement will be discussed with the men.

We would ask for the hearty support of every girl who is a member of the Royal Victoria College in attending one of the Bible classes and also the general meetings to be held once a month. We are starting afresh on this movement, and it is up to every girl to at least give it a fair try. If there is anyone who by mistake has not been canvassed to attend a Bible Study group, well, get busy and ask the convener to put you into a group. Watch the former Y.W.C.A. notice board for details concerning the classes, and put your name on the list—if you consider the movement worth your support—and if you don't consider it worth your support, come and help us by helpful suggestions as to how to improve it.

## NOT QUITE SURE.

Two business men were lunching at the club together.

"Oh," said one, "my partner formerly always opposed my views, but now he agrees with me in everything."

"How do you account for it?" asked the other.

"Don't know," was the reply. "I'm not sure whether I convince him, or only make him tired."

## SCORELESS TIE IN THEOLOG. SOCCER

Closely Contested Game Between Presbyterians and Congregationalists.

Going hard at the way, the Presbyterians and Congregationalists yesterday morning played the second game in the Inter-Theological College League, which resulted in a scoreless tie. The play was fast at all times, and interest never dragged for the spectators, who were mainly composed of members of the justly famous "deafening dozen." The showing made by the Congregationalists was particularly good, as many had never played in a regular soccer game before. Of course, they lacked a knowledge of all the technicalities and rules, but they more than made up for this by the enthusiasm they put into their playing.

The Presbyterians put practically the same team in the field as had previously played the Wesleyan aggregation last Tuesday, with the exception of Martineau at centre-half, who was ably replaced by Anderson. They had much the better of the play, owing to their greater experience, with the result that their goalies had only one shot to stop, and that on a forward pass. It speaks volumes for the ability of the backs, and particularly the goal-keeper of the opposing team that they were unable to register any tallies.

When the full time had been played, and either team had failed to score, it was agreed upon to play two extra three-minute periods. During the first of these the Congregationalists thought that they had scored a goal. But inasmuch as the ball was already out of play, having crossed the side lines, though play had not been stopped in obedience to the referee's whistle, and moreover the shot was kicked on a forward pass, the goal was disallowed. The second overtime period saw both teams trying hard in vain to score.

The third game of the league will be played this morning, when the Wesleyans meet the Congregationalists. The standing of the league thus far is as follows:

	P	W	T	Pts.
Presbyterians	2	1	1	3
Congregationalists	1	0	1	1
Wesleyans	1	0	0	0

Line-up was as follows:  
 Presbyterians: Goal—Stewart.  
 Full-backs—Britton, Hall. Half-backs—McGerrigle, Amaron, Anderson. Forwards—Lloyd, Cousins, Wodehouse, Avison, McPhail.

Congregationalists: Goal—Richards. Full-backs—Badger, Moore. Half-backs—Smith, Whitmore, Bronson. Forwards—Eddy, G. Craik, Jackson, O. Craik, Butler.

A lovely young girl named Hostense, said my callers are never fresh gents, if one gets like that.

I just hand him his hat, And Pa helps him over the fence.

## ANOTHER CHAMPIONSHIP

For the first time in the history of Canada the East and West have met in an Inter-Collegiate Track and Field Meet at Toronto and all the more credit therefore is due to the McGill representatives who have earned for McGill her second Inter-Collegiate championship this year. The infusion of new blood accomplished by the University of Manitoba into the field, forecasts the time in the near future when all of Canada will compete in annual inter-collegiate track meets. For years Ontario and Quebec have shared the honor of being proclaimed Collegiate champions but soon we may hope to see the entire West and perhaps even the Maritime Provinces also in a fight for Canadian honors.

This opens up the question of the location of future Inter-Collegiate track competitions. With the West in active participation it would be sometimes necessary for the eastern universities to travel to Winnipeg or even farther west and transportation difficulties might lead to Eastern and Western meets, the winners to compete in an Intercollegiate track meet at some central point.

The array of capable athletes who competed this year revealed careful coaching, surprising enthusiasm and unprecedented material. It is not surprising to hear that records in college track and field events have been broken. McGill has once again come to the fore and yesterday's clean-cut victory is a fitting reward for the energy and perseverance shown by her representatives. All honor to the McGill Track Team of 1920! Well have they upheld the traditions of the past and the honor of Old McGill.

## TO-DAY'S GAME

McGill students will have their first opportunity this afternoon of witnessing their team in action in a scheduled Inter-Collegiate fixture at the Stadium. Since their defeat at Toronto last Saturday the team, and indeed the whole student-body have experienced a distinct recrudescence of enthusiasm and the large number of students who presented themselves at the Union yesterday seeking Rooters' tickets augurs well for the support to be extended this afternoon.

Although there is a certain degree of confidence being manifested it is well to remember that Queens have always proved themselves redoubtable opponents and if we are to be in a position to bring about a play-off there must be no slackening of effort now. The personnel of the team has undergone some change and re-arrangement and the game will be a splendid trial for next Saturday's encounter. It will also furnish an opportunity for a real "full-dress rehearsal" by the Rooters' Club and it is to be hoped that every one will turn out to play their part in helping the Red and White to victory. Quite apart from any other considerations they are assured of witnessing a clean and keenly-contested game from start to finish.

## INTERMEDIATE GAME WILL BE TOUGH BATTLE

(Continued from Page 1.)

Humes, Hudon, Elderkin, Enger, site one another to-day, there is sure to be a big turnout of spectators to witness the struggle, which shows every indication of developing into a close, hard-fought game. Many rooters will be on hand to limber up for the afternoon game between the two senior squads.

The teams will line up as follows: McGill: Flying wing—Brown. Halves—Salter, Laffoley, Lane. Quarter—Marsh Kern, Scrimmage—McMann, Ron McCall, Armstrong. Insides—McDonald, Matthewson. Middles—Drum Ross, Andy Fraser. Outsides—Jones, L. Kern.

Queen's—Barnham, Gerow, Blakney, Anderson, Minnes, Burns, Abernethy, Ludgate, Forrest, Affleck. Stuart, Graham, Cook, Nichol, Mc-

## PROHIBITION VS. MAN'S LIBERTIES

Arts and Law To Settle Question For University.

"We're only poor, weak mortals after all."  
Such will the plaint of the Law Students be, when they argue for the rights and liberties of man next Wednesday night, in the Year's first debate.

The Arts Students, however, much as they may concur with such a sentiment, have agreed, for the time being, to see the matter otherwise, and they have mustered their best eloquence to support their contention, that Prohibition is right and should be enforced.

Apparently then, with such fervor on both sides, the "Lits" first open meeting will be more than successful from the point of view of number present and eloquence expended.

It may even be that the result of this debate may have somewhat of an influence on our college life. It is well known that the subject of Prohibition is not dead among us. It is even rumored that the old question "Wet or Dry" will shortly appear again in the minutes of the Arts Undergraduate Society, where it has filled pages since time immemorial.

Of course the moderation of the Arts Faculty is well known. How so the others? Everyone has an opinion. Don't let others decide the question. Your voice next Wednesday night may turn the balance.

## WESTERNERS 6 IMPERIALS 3

A Banquet For Club Will Be Held In Near Future.

The second game of the three-team league was fought to a hard finish yesterday on the Campus between the Westerners and the Imperials, and resulted in a win for the former to the tune of 6 points to 3. The Imperial forwards, showing marked superiority, rushed their opponents vigorously and after a series of loose scrummages succeeded in forcing the ball over for a touchdown at the beginning of the second half. The Westerners came back strong and hard running by their three-quarters line netted their two tries in close succession, neither of which was converted.

The game was fast throughout on an ideal ground and though play was often loose, considerable individual good-form was shown.

A meeting of the executive was held after the game at the home of Dr. Whitnall, the honorary president, and plans for the future were discussed.

It was decided that a club dinner be held at the end of the season and to discuss ways and means a general meeting will be called for Nov. 8th, at 5:15 p.m.

Further notices will appear in the "Daily" from time to time and all members are asked to keep their eyes on the notice column.

## WHAT HE DID NOT UNDERSTAND.

At a dinner in Edinburgh, Baron Kikuchi, Principal in Tokio University, was a guest. An Englishman present told the story of a Scotsman who went to his dentist with an aching tooth, and was asked if he would have gas. He replied that he would, but he should like to count his money first. Everybody laughed but the baron. A Scotsman attempted to explain the joke as the alleged foible of his race. The baron remained impassive. Others tried, but the baron said: "I do not understand." Finally, he stopped the explanations. "Gentlemen," he said, "you do not understand." His listeners gave rapt attention. "What I do not understand," he went on "is not why the Scotsman said what he did, but how any Scotsman should not know, at any time, without having to count it, how much money he had in his pockets."

## R.V.C. TO BE WITH ROOTERS

Thomson Promises To Spring Surprise On To-Day's Audience.

Last night saw the largest turnout of Rooters that McGill has so far managed to scrape together. Although no thousand thunders were present in Strathcona Hall, fully three hundred Rooters were present to raise the proper noise, while "Teedles" Thomson led the throng in his shirt-sleeves.

The first new item introduced on the programme was a monkey suit, which "Teedles" produced. A good deal of competition for the honor of filling it ensued, but fortunately the throng possessed one who fitted the part so well that a good many thought the suit was unnecessary.

Following the policy suggested by yesterday's editorial, a good many songs were discarded and the choice narrowed down to seven, although Thomson swears to make the "Daily" take back its criticism after the Queen's game. Twelve yells are left, and those present at last night's practice will be able to make up for the deficit of seven hundred if they produce as much noise to-day as they did last night.

During the intermission allowed for the vocal chords to return to their normal condition, Thomson gave the yell for to-morrow:

M - C - G - I - L - L !  
What's the matter with Old McGill?  
She's all right! Oh yes, you bet!  
McGill! McGill! McGill!  
We want five mill—  
Rah! Rah! Rah! Etc.

A band of seventeen pieces was present, giving the lead to the more uncertain Rooters in the songs. Tomorrow, Lebaron has promised twenty, and for this purpose two more cornet players are urgently needed. Anybody who can play a cornet will be helping the good cause by reporting at the Union at one-thirty to Lebaron.

Great reports come from the R.V.C., who have been practising in secret. A Rooters' Club is to be on hand from University street, who will furnish less noise possibly but more music than the larger number led by Thomson. In Toronto the girls furnished not only a surprise but one of the big hits of the day by their doxology, and we have great hopes that they may have to wait a long time before they are given a chance to sing it again, if all goes well with the team during next week. To-day is to be the test of the fitness of the McGill Rooters' Club, and it seems as though Coach Shaughnessy will not be disappointed. If every McGill man at the game will put aside his qualms of appearing to be a "Rah! Rah! Boy," and join in with the proper gusto, "Varsity will see that the one hundred and fifty Rooters in Toronto, were only quiet by comparison.

## SAM HAD HIS FEE.

Sam was on trial, charged with stealing ten dollars. He pleaded not guilty. Being unable to hire a lawyer, the judge appointed young Clarke as counsel. Clarke put up a strong plea in defense, and Sam was acquitted. Afterwards the pair met outside the courtroom.

"Now, Sam," said the young lawyer, "you know the court allows the counsel very little indeed for defending a case of this kind. I worked hard for you and got you clear. I'm really entitled to a good big fee, and you should dig up some money and pay me. Have you got any money at all?"

"Yes, sah," replied Sam, happily, "I still done got dat ten dollars."

## THEATRES

### PRINCESS.

An unusual and attractive programme has been provided for at the Princess Theatre next week, containing three distinct high class vaudeville features. The Russian Cathedral Singers, Moscow's Famous Quartette, will make their first appearance in this country. The quartette found its way to America and once here vaudeville found the quartette. These four men, Nicholas Antonoff, Michael Mataeff, Nicholas Wasilevsky and Nicholas Vesilier, not only have fine natural voices, but have had them cultivated under the best masters. Individually they are four excellent soloists and collectively they are the greatest harmony singers to be heard anywhere. They sing both in their native tongue and in English.

He who laughs last may laugh best, but he who laughs the longest gets the most fun and as a provider of a long lingering laughter, Billy Arlington is a peer. Few comedians understand the art of travesty as he does. He is broad but never rough or coarse, and furnishes fun with the rapidity of a modern newspaper getting out the sporting extra. Mr. Arlington is assisted by Eleanor Arlington, C. I. Taylor and E. F. Hennessey and present an absurdity called "Mistakes will Happen." Thos. E. Swift and Mary H. Kelley are in the candy business and are offering a comedy confection entitled, "Gum Drops." Mr. Swift is a comedian in keeping with his name and Miss Kelley is thoroughly charming both in her work and her appearance.

Lorraine Howard and Verne Sadler present a harmonious songologue called "Wedding Belles." They are melodious merry maids and their audience is kept in a continual uproar of laughter throughout their performance. Cartmell and Harris, favorites in the English music halls, will offer an original singing and dancing skit entitled, "Golfing With Cupid."

Arthur Millard and Minna Marlin will be seen in a mirthful travelogue called "Honeymooning." John S. Blondy and Brother are clever acrobats and offer a novelty diversion packed with surprises. Naynon's collection of

tropical birds perform—besides a routine of really marvellous feats—a little pantomime that is really interesting and comical and will be a treat to all lovers of the feathered denizens of the feathered forest.

### NEW GRAND.

Authorities on things theatrical predict that this year is going to be one of the best for revivals seen in many years. And in proof of this, witness the tremendous success of that good old musical comedy standby, "Floradora" at the Century Theatre in New York. Already many theatrical managers and stars are contemplating revivals of their old successes, prominent among them being DeWolf Hopper, who is scheduled to take out a revival of his famous "Wang." It is, therefore, most opportune that Charles Ray, the film star, should come forward with George M. Cohan's great play "45 Minutes from Broadway," for his first independent screen offering. And judging from the reception accorded the picture, Mr. Ray is coming in for his full share of the success of revivals. This picture, which is scheduled as a First National attraction at the New Grand, beginning Sunday, is having its second revival, as it was first produced as a play in 1904 with Victor Moore in the principal role, and revived in 1912 with George M. Cohan himself playing the Moore part, now handled by Mr. Ray. Other pictures make up the bill.

## TENNIS MEETING IS CANCELLED

Insufficient Attendance  
Causes Postponement Till

The meeting of the Tennis Club which was to have taken place yesterday afternoon in Strathcona Hall, was cancelled due to an insufficient number of members being present. The Rooters' Club meeting no doubt accounted for this small attendance, as the same time was fixed for both gatherings.

It has been decided to put off the general meeting of the Tennis Club till next Tuesday afternoon at five o'clock. It will take place in the Reading Room on the second floor in Strathcona Hall. So everybody interested in tennis should make a point of being present at that time. The main business to take place is the

election of officers for next year. There should be plenty of time for members to think over these coming elections, and decide whom they think will be best suited for occupying the different offices on the executive. In former years there have always been plenty of players in the college, but only a very small portion of these were really interested in the club. This should not be so, as all members ought to know more about how the organization is run, and who the officers are. It is important that the most capable men be elected to handle the club affairs, so everybody out and vote at the coming meeting.

It will be impossible to finish the tournament, on account of lack of suitable weather in which to play the remaining games. The light is too poor on the courts now after four o'clock, and very few are able to play during the day. It might have been possible to play a few matches off this afternoon, and next Saturday afternoon, but on account of the senior football games at both these times, nobody would be very interested in tennis. It is unfortunate that the tournament cannot be completed, but it will be admitted by all the members who entered it, that it is an impossibility.

## QUEEN'S HERE FOR BIG GAME WITH MCGILL

Coach Malcolm Brings  
Strengthened Squad For  
To-Day's Battle.

CAROLL AT HALF.

Shaughnessy Makes Several  
Shifts In Red and White  
Team.

Coach Malcolm and his husky squads of Queen's Rugby players arrived in the city last night, and are resting up for the two big games against the Red and White to-day, the first between the two second teams being scheduled for this morning at 10.30 at the Stadium, while the big fixture between the two senior aggregations is called for 2.30 p.m., at the same place. The Presbyterians have greatly strengthened their squads since the last game against McGill at Kingston, three weeks ago, and when the Tri-Color faces the Red and White to-day it will be with the determination to wipe off the defeat registered against them earlier in the season. Coach Shaughnessy and his men have trained faithfully for the struggle, and are confident of a win over the Kingston team.

While a great deal of interest has been naturally evidenced in the forthcoming battle against Varsity, the game to-day has by no means been overlooked, and judging by the advance sale of tickets, there will be a big crowd on hand to see the teams in action and to root for Old McGill. Queen's is always regarded by the McGill squad with a certain amount of apprehension, and the shift in the line-up of the Tri-color, which is predicted for to-day's struggle, is causing a certain amount of speculation among the many followers of the game. The Presbyterians always put up a heavy fight, and this season with a husky line, which managed to put it over the McGill line in the last game, will prove a worthy foe for Shaq's men this afternoon.

Coach Shaughnessy, as was predicted, has shifted the Red and White squad considerably since the game against Varsity last Saturday. With the exception of Flanagan, Wilson and Parsons, the squad will be similar in personnel to that which bucked into the Blue and White last week, although many of the players will be found in different positions.

Curly Carroll will make his first appearance in a game for the Red and White, the former Varsity half going to centre half instead of Flanagan, who is still suffering from the effects of the Toronto game. Carroll has been showing great form in practice, and should prove a worthy successor to "Flin." "Bones" Little will be found at left half in place of Wilson, which position he has been filling the greater part of the week. "Bones" is turning out the utility man of the squad, having had a whirl at about every other place but quarter. Anderson will be at flying wing again, and those who have watched the sturdy player for the past few years claim he is going better than ever.

Several shifts have been made on the line. Lazler has been moved to right scrum, and his place taken at left inside by Ambridge. Notman has been moved out to right middle, and Gordie Murphy will start at the right inside position. Don Baillie is back in the game again, and will be seen to-day at centre scrum. Parkins, Nicholson, Livshin and Captain "Dud" Ross complete the list of stalwarts on the line. Gordie Ross will hold down at quarter, and from the form he has been showing should handle the key position well.

Close followers of the team regard the changes as a move in the right direction, and one which will tend to materially strengthen the line. This will be a big feature in the game to-day, as the Tri-color with such men as McKelvey, Shaw, Ellis and Bowman, have a bunch of plungers, who proved decidedly dangerous to the Red and White in the last fixture in which these two squads engaged, and who will prove "hot stuff" in to-day's tilt.

Seats for the Rooters' stand for the game have been going rapidly, and "Teedies" Thompson will have a goodly gang to lead when the whistle starts the play this afternoon. Yesterday the club put its final work-out on the songs, yells and tricks to be staged to-day, and it is certain that the "Thundering Thousand," with its club band of nineteen pieces, will be a great attraction. Several stunts will be worked by which it is hoped to overcome the difficulty of having the Rooters on the same side of the field as the remainder of the spectators.

The McGill team will line up as follows:  
Flying wing—Anderson. Halves—Carroll, Russell, Little. Quarter—Gordon Ross. Scrimmage—Baillie, Livshin, Lazler. Insides—Ambridge, Murphy, Middles—Notman, D. Ross. Outsidess—Nicholson, Parkins.

The Queens team will be found on the preceding column.
